📍 St 336, Sangkat Boeung Salng, Khan  
Toul Kork, Phnom Penh

### ABOUT ME

I am currently a five-year student at the Institute of Technology of Cambodia, pursuing a degree in Information and Communication Engineering with a deep passion for Website development. I am enthusiastic about the opportunity to apply my academic knowledge in real-world scenarios and gain valuable hands-on experience through an internship in the mobile field. I am known for my collaborative spirit, positivity, and unwavering commitment to excellence. I would be honored to contribute to your team and engage in challenging projects.
